RETURN TO SOCCER ACTIVITY GUIDELINES

State Association

ENYSA remains committed to providing all members with the most up-to-date information regarding return to play activities. In recent days, US Soccer has revised its guidelines to include small-sided-games and set-play activities in Phase II. We have updated our guidelines in accordance with US Soccer's changes. We ask that you strictly adhere to the phases of play as laid out in the chart below.

In addition, we would like to reiterate that in accordance New York State Department of Health Interim Guidance for Sports and Recreation, moderate-risk activities (soccer) can start on July 6, 2020 **excluding competitive tournaments of multiple games, meets, matches or scrimmages requiring travel**. As of right now, New York State has not provided any information on when tournaments requiring travel can resume. US Soccer's Play On Guidelines also do not allow for full team competitions until Phase III. For the health and safety of all members, Eastern New York Youth Soccer Association fully supports the phased approach of return to play set forth by New York State and US Soccer.

The following are projected dates for soccer activities to begin (see Chart below). These dates are subject to change:

CRITERIA FOR RETURN-TO-PLAY

ENYSA is recommending the following criteria to educate its members on CDC guidelines, New York State Department of Health, and US Youth Soccer Guidelines to maintain a healthy environment once players, coaches, volunteers, and spectators return to the field:

- ❖ Participants should have no sign or symptoms of COVID-19 in the past 14 days and have not been exposed to someone that has been ill in 14 days.
- ❖ Common Symptoms:
 - Trouble breathing
 - Pain or pressure in the chest that persists
 - Experience confusion or trouble waking up
 - Bluish lips or face
- ❖ Live in a general location for 14 days prior to beginning group training. This requirement reduces the risk of introducing COVID-19 into the training group by someone traveling from a different region.
- ❖ Take temperature at home before going to training.
- ❖ Upon arriving to training, coaches or staff should ask each athlete if they are experiencing any signs or symptom of COVID-19. If the athlete has any signs or symptoms of COVID-19 they should be sent home and instructed to contact their health provider. Players will not be allowed to return to training until they are cleared by a healthcare provider. A doctor's note must be provided to return to training.
- ❖ Participants, organizers, spectators, volunteers and facility employees in high risk categories should not participate or attend organized sport activities. List of high risk categories can be [Found Here](#).
- ❖ Small group training should take place in an area where physical distancing (6 ft. apart) can be maintained.
- ❖ Spectators, nonessential visitors, staff, volunteers and activities involving external groups or organizations should be limited as much as possible. Clearly designate and mark spectator viewing sites to allow for social distancing. All must practice social distancing including wearing face coverings.

RETURN TO SOCCER ACTIVITY GUIDELINES

State Association

- ❖ Be sure appropriate infection prevention supplies (i.e. hand sanitizer, facial tissues, facial coverings) are present in multiple targeted areas.
- ❖ Each participant will be required to have their own water bottle, towel, and personal hygiene products:
 - Hand sanitizer should be readily available and must contain at least 60% alcohol
 - Face coverings can include masks, scarfs, and bandanas over nose and mouth
- ❖ Players are not required to wear face coverings during physical activities but must wear them when arriving and leaving training.
- ❖ No sharing personal items. Participants should use their own equipment and instructed to sanitize their equipment after each training session.
- ❖ Coaches and spectators will be required to wear face coverings when within 6 feet of others.
- ❖ Practice respiratory etiquette by covering coughs and sneezes with tissue or inside elbow.
- ❖ Tissues, wipes or disposable gloves must be properly disposed in the appropriate receptacles.
- ❖ Follow cleaning schedule protocol of equipment (cones, goals, etc.) with disinfectant before, during and after use.

Club Responsibilities

- ❖ Create and distribute protocols to its members.
- ❖ Contact any additional insurers if your club holds any policies outside of what is included in your Eastern New York Youth Soccer Association's membership to ensure all coverages.
- ❖ Post signs in highly visible locations (i.e., at entrances and exits, and in restrooms) that promote everyday protective measures and describe how to stop the spread of germs such as by properly washing hands and properly wearing a cloth face covering. [Click Here for Sample Signs](#)

RETURN TO SOCCER ACTIVITY GUIDELINES

State Association

Return-to-Play Guidelines

- ❖ Maintain a complete list of coaches, youth athletes, and league officials present at each event to include the date, beginning and ending time of the event, name, address and phone contact to be made available upon the request from the local health department.
- ❖ Clean and disinfect frequently touched surfaces on the field surface at least daily, or between uses as much as possible. Use of shared objects and equipment should be limited or cleaned between uses by each individual if possible.
- ❖ Have an effective communication plan in place, identify strategies for working with public health to notify adult leaders, youth and their families if the organization learns a player or coach has contracted COVID-19 and may have been infectious to others while at a youth activity, while maintaining confidentiality.
- ❖ Be sensitive and accommodating to parents that may be uncomfortable with returning to play too quickly.
- ❖ Train and educate all staff to protocols and requirements, including state and local regulations, CDC recommendations and other necessary information.
- ❖ Be prepared to shut down and stop operations. Develop plans for temporary closure of indoor facilities and cancel outdoor activities or camps to properly disinfect and ensure other adult leaders or youth are not infected.
- ❖ Provide adequate field space for social distancing.
- ❖ Provide hand sanitizing stations and waste receptacles at fields.
- ❖ Develop a relationship and a dialog with local health officials. (identify Risk Tolerance)

RETURN TO SOCCER ACTIVITY GUIDELINES

State Association

Coach Responsibilities

- ❖ Ensure the health and safety of all players.
- ❖ Inquire how the athletes are feeling, send them home should you believe they act or look ill.
- ❖ Follow all state and local health protocols.
- ❖ Ensure all athletes have their individual equipment (ball, water bottles, bag, etc.)
- ❖ Coach is the only person to handle all practice equipment. (cones, disk etc.)
- ❖ Coach to sanitize/clean all personal training equipment before and after each session (e.g. cones, discs, etc.)
- ❖ All training should be outdoors and ensure social distancing per state or local health guidelines.
- ❖ Always wear a face mask, when not actively coaching, maintain social distance requirements from players based on state and local health requirements.
- ❖ Have fun, stay positive – players and parents are looking to you to stay calm, supportive and caring during this time.
- ❖ The use of scrimmage vests or pinnies is not recommended at this time.

Parent Responsibilities

- ❖ Ensure child is healthy and check your child's temperature daily.
- ❖ Limited or no carpooling with other players.
- ❖ Stay in car or adhere to social distance requirements, based on state and local health requirements.
- ❖ When at practice wear mask if outside your car.
- ❖ Ensure child's clothing is washed after every training session.
- ❖ Ensure all equipment, cleats, ball, shin guards etc. are sanitized before and after every training.
- ❖ Notify member organization immediately if your child becomes ill for any reason.
- ❖ Do not assist coach with equipment before or after training.
- ❖ Be sure your child always has sanitizer with them.

RETURN TO SOCCER ACTIVITY GUIDELINES

State Association

Player Responsibilities

- ❖ Take temperature daily.
 - ❖ Wash hands thoroughly before and after training.
 - ❖ Bring and use, hand sanitizer with you to every training.
 - ❖ Wear mask before and immediately after all training.
 - ❖ Do not touch or share anyone else's equipment, water, snack or bag.
 - ❖ Practice social distancing, place bags and equipment at least 6 feet apart.
 - ❖ Wash and sanitize all equipment before and after every training.
 - ❖ No group celebrations, no high 5's, hugs, handshakes etc.
-
